

KTS ITALIA srl

nasce nel 2010. Azienda di maniglieria, accessori per porte, portoni, blindati, mobili, e coordinati. Giovane, dinamica, flessibile. Giovane dalla costituzione, su solide basi di esperienza dei fondatori e collaboratori. Dinamica e propositiva di nuovi articoli, di evoluzione di quelli esistenti, di nuove idee, di costanza e continuità produttiva e di fornitura. Flessibile alle esigenze della clientela, riuscendo a sviluppare prodotti, stampi e cicli lavorativi per le varie esigenze. La ns. mission è di offrire il miglior rapporto qualità/prezzo. L'obiettivo è cogliere bisogni e gusto del progettista, dell'architetto, dell'interior designer, per la soddisfazione dell'utente. La maniglia è un'umile leva, con la rotazione manuale si apre un ambiente. Spesso trascurata. E' contatto immediato della dimora, dell'ufficio, dell'azienda, dell'albergo, della villetta, della casa al mare, in montagna, della porta che decora e valorizza. Sovente si pone cura su orpelli, oggetti decorativi, vani e di breve durata, e non si pensa quanto possa essere interessante la cura del dettaglio, e di una maniglia oggetto pluriennale, che deve resistere nel tempo, e, abbellire la porta e l'ambiente. La maniglia, deve essere bella, funzionale, duratura, ergonomica, può essere tecnica con specifiche funzioni antipanico e specifici materiali. Le tendenze, le mode, le epoche, interagiscono, si completano, si creano, si influenzano, vicendevolmente.
